Central Intake has launched!

On June 26, 2018 centralized access to the Addictions and Mental Health system opened for service.

Across the Hastings Prince Edward region; individuals, family members and caregivers, social services and health care and health service providers have a central point of access to a range of addictions and mental health supports and services (from recreational services to case management and addictions treatment to psychiatry services).

MEET WITH US

There are scheduled walk-in hours to meet with a central intake worker.

E-REFERRAL

There are two referrals forms available on our website at hopedreamrecover.ca. One is a self-referral form for all individuals, families and other providers & a primary care and health service provider referral form. Send this to our team and we will connect with you to access addictions and mental health services.
